Dear Parents/Carers

SCHOOL CLOTHING

I would like to inform you that we are in the process of setting up an online system for ordering school and nursery uniform. We intend to have this up and running by the end of January. Our supplier for clothing is Border Embroideries, now known as BE SCHOOLWEAR. We have not increased prices of our clothing for many years, however, as the company are increasing their prices from January 2017, I'm afraid that we will have no option but to increase our prices too.

Clothing will no longer be available to order via the school office (apart from ties). Orders made online can be delivered to your home address (costs £4.99 or free delivery if you spend £50 or more). There will also be the option of free delivery to the school - the company will guarantee delivery to the school within 20 days of ordering. As you will be aware, BE SCHOOLWEAR have a shop in Falkirk (32 Vicar Street) where uniform can also be purchased.

Yours sincerely

Evelyn Macdonald
