

Home learning activities linked to the work we are covering this term.

Go for a Sound Walk – see if you can spot your sound of the week when you are outside.	Choose some items in your house and put them in alphabetical order.	Try and read at least two books at home this term and talk about them with your friends and family.	Gather items from around the home e.g. pegs, pasta, lego bricks and estimate how many you have then count to check amount.	Ask your friends and family what their favourite food is and make a block graph to display the information.
Identify nouns, verbs and adjectives in your reading book.	Revise numbers to 100 using Topmarks paint the squares. https://www.topmarks.co.uk/learning-to-count/paint-the-squares	<u>Primary 2 Home Learning January - March 2025</u> Here are some activities you can choose from. You don't need to do them all! Feel free to share on X @P2JM_WPS and @P2F_WPS	Play a game of rocket rounding on Topmarks to practise rounding to 10 and 100. Rocket Rounding	Write an imaginative story with a beginning, middle and an end. Share it with your family.
Share an act of kindness with a family member or friend. E.g. Give a compliment or offer to help someone.	Go for a Winter walk around your local area, can you collect any interesting things? Why not use the natural materials to make a picture?	Take on a new responsibility at home eg. tidy your room or help wash the dishes.	Play a game of 'Hit the Button' on Topmarks to practise mental maths. Hit the Button - Quick fire maths practise for 6-11 year olds (topmarks.co.uk)	Share on X some photographs of a day you have had with your family where you learned something new.

Remember that you have weekly spelling, reading and maths activities that have to be completed.
