

Home learning activities linked to the work we are covering this term.

Chinese New Year January 29th 2025 Research what year it is according to the Chinese calendar. Make a Chinese New Year card for a friend or family member.	IDL – Farm to Fork Choose one of your favourite dinners. Make a list of the ingredients and create a flow chart showing the 'farm to fork' process. Can you research where the ingredients came from? Burger – beef – cattle farm. Bun/bread – wheat – arable farm.	Ramadan Begins on the evening of Friday 28th February. Ramadan is the ninth month of the Islamic calendar. Almost all Muslims try to give up bad habits during Ramadan. It is a time for prayer and good deeds. Can you think of a good deed you could do at some point in the next month?	Health and Well Being Choose a fitness challenge for yourself. Set the goal you would like to achieve by the Easter holidays. It could be completing a junior 2k park run, for example. home Helix-juniors parkrun Helix-juniors parkrun 	Maths – Measure Measure the height of everyone in your family. Use a tape measure to accurately measure to the nearest cm. Record the measurements in a diary, poster or other creative way.
Literacy – Reading Choose a new book from a library at home, school or the local library. Before you start reading complete a crystal ball prediction. Using clues from the front cover and blurb, what do you think will happen?	Robert Burns Night January 25th 2025 Ask a parent or carer if you could help to cook a Burns Supper. Traditionally this is haggis, neeps (turnip) and tatties (potatoes). Take some photos and post on Twitter (X).	Primary 4 Home Learning January - April 2025 Here are some activities you may like to do at home this term. You can do them at any time and in any order. To share your learning, please tweet your class Twitter or bring your example into class.	Rights Respecting School Watch BBC Newsround and choose a headline about a global issue that interests you. Do a little more research and make a poster to explain this global issue to the class.	Family Time Choose a film to watch as a family. Write a review to share with the class. Remember to think of the genre, who would enjoy it and how many stars you would rate it.
Farming & Fairtrade Next time you are in the supermarket ask if you can help find some of the items on the shopping list. Can you see any Fairtrade logos? List all the Fairtrade items you find and/or take photos to show in class.	Numeracy – ÷ & x Use Topmarks Mental Maths Train (or another game) to practise times tables and division. 	Health and Well Being Looking after our mental wellbeing is really important as well as staying physically fit. Try taking part in a BBC Moodbooster! 	Literacy – writing Create a Menu Using colouring pencils and paper can you write and design a menu for a family dinner. This may be for the Burns Supper or another meal of your choice.	Numeracy Ask a parent or carer to write out 5 multiplication column sums. Remember we are learning to multiply a 2 digit number by a 1 digit number. $\begin{array}{r} 42 \\ \times 2 \\ \hline \end{array}$

Remember that you have weekly spelling, reading and numeracy activities that have to be completed.
