Dear Parents/Carers,

Wallacestone Architects of the Future Open Afternoon

We are looking forward to welcoming you to our open afternoon on Tuesday 6th October between 2pm and 2:45pm. Our children are looking forward to sharing their learning around this year's school wide theme of being "Architects of the Future".

To allow us to manage the numbers of people in the building, we have made the following arrangements for when you arrive at 2pm.

If the first class you want to visit is in Primary 1, 2, 3 and 4	Entry via Primary 1 and 2 door in side playground.
If the first class you want to visit is in Primary 5, 6 and 7	Entry via Primary 5-7 door (near nursery side of the school).

Although you will enter via different doors, you will be able to visit your children across different classes. This allows us to manage the flow of people around the school site. We will have P7 Pupil Leaders and staff around the school site to support this.

There is no planned fire alarm test during the event. In the event of a fire alarm activation, we ask that parents evacuate first and muster in the lower part of the car park. Staff will follow their usual procedures to look after the children.

We are happy if you wish to collect your child and they go home with you at 2:45pm. Please let your child's class teacher know when you are ready to go and they will take a note of this on the class register.

Yours sincerely,
Jonathan Crawford
Headteacher
