

Home learning activities linked to the work we are covering this term.

Try a new fruit or vegetable this month. What did you think?	Find examples of symmetry around your home or out and about. Display these in any way (photos, drawing, description, etc).	Research an area that interests you about The Romans. Bring in your research to share with the class.	If the letters a=1, b=2, c=3 and so on, how much do the letters in your whole name add to (first name, middle and surname)? Can you find out how much other family and friends' names add up to?	List 5 amazing adjectives to describe yourself. Now choose someone famous and list 5 adjectives to describe them.
Visit the local library and read a story with your family. Borrow a book to read at home too. Talk about what you enjoyed about the book.	Create an information poster or leaflet about The Romans. Include the title, sub-headings, bullet points and a picture.	<u>Primary 4 Home Learning</u> <u>October - December 2019</u> Here are some activities you may like to do at home this term. You can do them at any time and in any order.	FREE CHOICE Record what you have done.	Make a present for a family member or friend. You could make a card, paint a picture, bake a cake or anything else you fancy! If you are able, tweet a picture of the finished product!
Did the Romans come to Scotland? Can you do a bit of research on the internet or at the library to find out? Record some of the information you find.	Bonfire night is almost here. Can you create some firework and bonfire art work?	Speak to a family member or friend who is a lot older than you. Talk to them about their life and find out what school was like when they went. What things are the same now and what are different?	Find a poem that you like. If you'd like, memorise it and share it with the class.	Revise your knowledge of the times tables and division facts using Education City, Topmarks Hit the Button and Sumdog.

Remember that you have weekly spelling, reading and maths activities that have to be completed.
