

Home learning activities linked to the work we are covering this term.

Do a good deed for someone at home without needing to be asked. I.e. help an adult bring in the washing, set the table, etc.	When shopping with an adult, can you identify prices of items and try to total these items mentally?	Research a planet that interests you. Bring in your research to share with the class.	Celebrate Bonfire Night this year with some art and craft. Can you create some firework and bonfire art work?	List 5 amazing adjectives to describe yourself. Now choose someone famous and list 5 adjectives to describe them.
Try and read at least two books at home this term. Write a book review for each and bring them in to share with the class.	Make a Space fact file. Include a contents page, a glossary and at least 4 pages of information on some celestial bodies.	<u>Primary 5 Home Learning October - December 2019</u> Here are some activities you may like to do at home this term. You can do them at any time and in any order.	Share on twitter some photographs of a day you have had with your family where you had fun.	Think of 5 gifts to give to family and friends. Find the best price online for these items. Show your findings.
Create a quiz about key events in the history of space exploration.	Create an information poster showing what you know about angles.	Think of a gift you could give to someone that costs nothing. (Could you do or make something for them?)	Go on a hunt for exciting vocabulary in some of the books you have at home. Bring them in and see if you can use them in your writing.	Review your strategies for addition (number bonds to 10, 20 etc or partitioning) Show me how to use them in any way you wish.

Remember that you have weekly spelling, reading and maths activities that have to be completed.
