

Home learning activities linked to the work we are covering this term.

Do a good deed for someone at home without needing to be asked. I.e. help an adult bring in the washing, set the table, etc.	Write a review of a film or T.V. programme you have watched recently.	Make a model of a castle, keep or weapon related to Wars of Independence using any materials you want.	Celebrate Chinese New Year this year with some art and craft. Can you create some colourful art work?	List 5 amazing adjectives to describe a winters day. Now use these in a paragraph.
Try and read at least two books at home this term. Write a book review for each and bring them in to share with the class.	Make a fact file on an important figure in the Wars of Independence. Include at least 4 pages of information on this figure and the part they played.	<u>Primary 5 Home Learning January - March 2020</u> Here are some activities you may like to do at home this term. You can do them at any time and in any order.	Share on twitter some photographs of a day you have had with your family where you had fun.	Compile 5-10 questions relating to Fractions or Decimals for a friend in class to solve.
Create a quiz about key events on the Scots War of Independence.	Create an information poster showing what you know about shape.	Follow a recipe to make something tasty for someone at home.	Go on a hunt for interesting openers in some of the books you have at home. Bring them in and see if you can use them in your writing.	Play hit the button on top marks to help you with your times tables. Practise your other tables too.

Remember that you have weekly spelling, reading and maths activities that have to be completed.

*****This term children will be learning their Scots Poem, "Brekin Rainbows." Children will have their poems home with them and should be learning them so they are prepared to recite to class on the week beginning 20th January. Class teachers will tell children nearer the time the exact day and time so they know when to be prepared for*****
