

Home learning activities linked to the work we are covering this term.

Search and look at pictures online of a Jacobite targe. Design your own targe on paper.	Measure – Weight Help in the kitchen by weighing ingredients using grams (g) and kilograms (kg).	Practise your times tables up to the 12x table. Make sure you can say each table from memory quickly and accurately.	Go on a hunt for <u>metaphors, similes and alliteration</u> in the books or eBooks you are reading. Write examples in your home learning jotters.	Use the words in your spelling lists. Write each word in an interesting sentence. Next, add a connective to lengthen your sentence. Finally, add a WOW word.
Make a life-sized model targe using available materials, e.g. cardboard, wood, drawing pins, pens, paint etc.	Using your glow details, log in to BorrowBox from home and borrow either an eBook or audio book to enjoy.	<u>Primary 6 Home Learning January– March 2020</u> Here are some activities you may like to do at home this term. You can do them at any time and in any order.	William Playfair Mary Somerville These are famous Scottish mathematicians whose work had a huge impact on the world of maths. Try to find out the main contribution to maths that each of them made. As a challenge, you might want to find out a little more about their lives.	Opera You need to know all the song words in preparation for the first rehearsal on 27th February.
Measure – Length Using metres (m) and centimetres (cm), measure and record in your home learning jotter, the length and breadth of your bed and of your bedroom floor.	Make up division calculations and practise them, for example: $4 \overline{)2395}$ (Remember to use a decimal point if you need it.)	Measure – Volume Using a measuring jug, marked with litres (l) and millilitres (ml), find and record the volume of an egg-cup, a mug and a mixing bowl.		Practise basic techniques for algebra using this website: www.mymathsroom.com/algebra/ (Try Sets 1 - 4)

Remember that you have weekly spelling, reading and maths activities that have to be completed.
