<table>
<tr>
<td rowspan="2">Scots Poem
Cat Food Rap

Enjoy learning and performing this poem to your friends and family.

Check Class Team FILES for success criteria and the words of the poem.</td>
<td>Measure – Weight

Help in the kitchen by weighing ingredients using grams (g) and kilograms (kg).</td>
<td>Practise your times tables up to the 12x table. Make sure you can say each table from memory quickly and accurately.</td>
<td>Go on a hunt for <u>metaphors, similes and alliteration</u> in the books or eBooks you are reading. Write examples in your home learning folder.</td>
<td rowspan="2">Use your spelling lists.

1. Choose a word and write it in an interesting sentence.

2.Next add a connective to lengthen your sentence.

3. Now change the order of your sentence around, by <u>starting with the connective</u> (inverted sentence).

4.Read your sentence out loud to ensure it still makes sense. Make any changes needed to ensure it makes sense.</td>
</tr>
<tr>
<td>Using your glow details, log in to BorrowBox from home and borrow either an eBook or audio book to enjoy.</td>
<td><u>Primary 6 Home Learning January– March 2024</u>

Here are some activities you may like to do at home this term. You can do them at any time and in any order.</td>
<td>Eco warriors!

Look out for waste materials that can be re-cycled for junk modelling and start to make a collection.

We will be using these in February and March.</td>
</tr>
<tr>
<td>Measure – Length

Using metres (m) and centimetres (cm), measure and record in your home learning folder, the length and</td>
<td>Make up division calculations and practise them, for example:

$4\overline{)2395}$</td>
<td>Measure – Volume

Using a measuring jug, marked with litres (l) and millilitres (ml), find and record the volume of an</td>
<td>Cardboard boxes, tubes, plastic lids, cartons,etc. Please make sure everything is properly washed out.</td>
<td>Speak to your family about the possibility of getting a library card and visiting one of our local libraries.</td>
